

PARENTS, VOTE FOR YOUR REPRESENTATIVES ON THE BOARD OF LFI TOKYO!

From **October 5 to 7**, you will be called upon to vote for your representatives to the **Conseil d'école** (Primary School Council) and the **Conseil d'établissement** (School Board). An electronic vote will be organised by LFI Tokyo. **Voter turnout in these elections is essential in order to have a say in decisions that will have a direct impact on your children.**

One parent = one vote

EACH PARENT VOTE

We are counting on you!

Parents are essential actors in school life. Your elected representatives will attend the deliberative boards to promote transparent governance of the institution.

What are the roles of your representatives ? They are your voice on the school boards, providing feedback and making proposals based on your suggestions; they can weigh in on issues that affect your children's education and well-being at school. They will then be able to bring this information back to parents, and make sure they are kept well-informed (minutes of meetings, lycée-café etc).

Who are they? The members of the Parents' Association (FLT-Families of LFI Tokyo) are parents just like you, from extremely diverse personal and professional backgrounds, with children in primary and secondary school, volunteers elected by you to represent you, to advise you and to inform you. FLT is affiliated with Fapée (Federation of parents' associations for overseas French schools), which is represented in most French schools overseas.
