# Staying informed!

## School calendar 2025-2026

During the various council meetings, the proposed school calendar for the 2025-2026 academic year was voted on. **It still needs to be validated by the different AEFE authorities** before becoming official, but unless there are changes:

- The 2025 **back-to-school date** should be Monday, September 1st.
- The autumn break is expected to be from October 18th to November 2nd (November 3rd is a public holiday in Japan but would be a school day at the Lycée).
- The Christmas holidays are planned from December 20th to January 4th.
- The winter break is scheduled from February 21st to March 8th.
- The spring break is set for April 25th to May 10th.
- **The summer holidays** would start on July 1st (with the last day of school on June 30th)

# Lycée-café feedbacks

The **Lycée Café Galette event on January 18th** was once again a great success!

This event brought together over **160 people** (including parents and children).

Of the **37 frangipane galettes** and **6 tropézienne-style galettes** (thanks to **Les Merveilleux de Fred!**), only crumbs were left to clean up at the end!

As for drinks, the 6 bottles of cider offered by the **Breizh crêperie** were well appreciated!

The conversations, sharing, smiles of the children who became kings and queens, and the joy of making DIY crowns thanks to the FLT eco-team made this event a wonderful success for the FLT team.

It was also a great way for parents to remember that school is a community, not only for their children but also for families.

On Tuesday, **January 28th, the Lycée-Café "Orientation"** brought together about fifty people with **Mr. Ritter**, the school's guidance counselor, who answered questions and reassured the parents in attendance.

Throughout this guidance process, high school students' parents are guided by teachers and the school through informational meetings on the subject.

For high school students with specific questions related to their career orientation, whether clearly defined or still under consideration, Mr. Ritter is available to assist you. Don't hesitate to schedule an appointment for a personalized interview that can shed light on your choices and guide your path.

Here is some information related to orientation:

# Raffle of the School Festival!

## Search for Sponsors for the Raffle

The LFI Tokyo school festival will take place this year on **Saturday, May 24, 2025**, with a rain date of May 31. For this occasion, the FLT is organizing, as always, a grand raffle. The team of volunteers has begun their **search for sponsors** and prizes, which we hope will be numerous again this year!

Do you work for a company that could provide prizes? Or perhaps your spouse's company or those of your friends? Please don't hesitate to [contact us](mailto:tombola@familles-lycee-tokyo.com) if this is the case.

As a thank you, we will provide visibility to sponsors on the day of the event and during the promotional communications leading up to it.
